DENTAL IMPLANTS

Our specialists are highly trained on sinus lift, bone graft and other advanced dental procedures. Years of experience allow them to complete cases from simple to complex. Our office has a surgery suite equipped with sedation and surgery armamentarium to facilitate the doctors' and patients' comfort and safety.

IN-HOUSE LABS

Your dentist can restore any teeth and repair dentures using our in-house lab. We fabricate any restoration from single crown, denture to full zirconia bridge.

No Insurance? No Problem!

Dental emergencies are costly. Save money with our affordable savings plan. Do not overpay at the dentist again.

We offer our **JR Dental Smile Plan** as an in-office dental benefit for our patients who do not currently have dental coverage. This plan allows our patients to receive optimal dental care while saving money.
